Dear Admiral and Mrs. Turner:

On behalf of the Meridian House Ball Committee we extend to you an invitation to be a guest of the committee on Thursday, October 4th. This is always a beautiful evening where the guests not only support a fascinating project but also have a good time.

Meridian House International plays a very important role in the development of international understanding as a world affairs center in Washington. The programs which are supported are enclosed.

Preceding the Ball there will be dinner parties given in Embassies all over the city to which all Ball guests go and then to Meridian House for the Ball.

One other event leading up to the Ball will be a reception at Blair House hosted by the Chief of Protocol. This very delightful evening will be held on Tuesday, September 11th from 6:30 to 8:00.

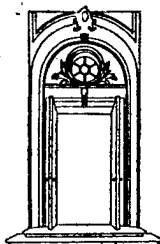

Do circle your calendar for the above dates. Please call Meridian House with your response to the Blair House reception. A formal Ball invitation will be sent later.

Hope to see you soon.

Sincerely,

Kit Dobelle
